STRICTLY SPEAKING

We hope that you are having a good New Year and that your wishes, or at least some sense of normalcy, comes to light in 2023.

Meet the beautiful and stern Mistress Mona Loveless. Her magnanimous generosity is truly something to behold. Mona drags her sub around by the cock and balls while smacking, whipping and caressing his helpless body. She smothers his mug with her steaming quim as he dutifully tongue-cleans her from pussy to asshole. She mounts her fuck toy and squeezes the last bit of man juice out of his tenderized nuts. In a final act of kindness, Mona spurts her warm piss into a proffered vessel. Next time, if he's lucky, it will be his mouth. She's such a giver!

The gorgeous, self-proclaimed pee freak Syenite graces the pages this issue.

Syenite hangs so lovely from the rope tethers, tied open for all comers. Today, she's an eager sub with a giving spirit. Tomorrow, however, might be a different story altogether. But no matter how or when, if your a connoisseur of golden showers, she's your kind of pervert.

Poor Alysa. She's gotten herself into quite a predicament. The two cocks she's been dating, separately, thought they'd teach her a lesson and come over at the same time. Locked in a yoke and horrified that they know each other, she shamefully submits to their relentless, dirty desires, including a hard-pounding DP. Her humiliation soon melts into bliss. Now elated, she can't wait for them to return, together!

Thank you for your support. Enjoy your TABOO!

When did you start fetish modeling and under what circumstances?
I began in 2015. I had just graduated college and I had begun modeling and was asked online by producers in the kink industry to do shoots involving femdom fetish content. I worked as an actor in videos where I would wrestle other girls and dominate them. I would dominate male actors by fighting them and beating them up and stepping on them. I am very good at scissoring, smothering, humiliation and ball busting.

How did you feel the first time you took your clothes off in front of other people?
I was highly motivated to make money to pay my bills and I had not obtained a job after I graduated college. I decided to try exotic dancing to make money. I am naturally a very uninhibited person and dancing on stage nude was no issue for me. By the time I did my first nude shoot, I had already been nude in front of many people at the strip club.

How did you become aware of fetishism or your fetishistic side?
After working as an actor in fetish movies, I discovered that I genuinely enjoyed domming men. Then I transitioned to doing in person sessions with clients.

What fetishes do you like personally?
I enjoy foot and ass worship. I enjoy smothering people with my breasts and face sitting on men.

Do you wear fetish clothes in public? What are your favorite items?
I like to wear latex when I go out for dinner. I love wearing clothing that shows off my cleavage and the latex is skin tight showing off all my curves.

Have you ever scened in public?
Yes, of course. I walk my slaves into restaurants and out in the street in NYC on leashes. I publicly whip my slaves and kick them in the groin as well.

Are you dominant, submissive or a switch?
I am a switch. I am a pro-dom. But in the bedroom with a partner, occasionaly I like to be submissive to my man. I do also enjoy domming my various boyfriends as well. I really like grabbing a man and choking him.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
A lot of my clients like me to spit on them and in their mouth, and since I have been doing this for several years I have begun to let my boyfriends spit in my mouth and I actually enjoy it. I also have let my boyfriends choke me harder and slap me harder and it can actually be quite fun and I have begun to understand the thrill that my clients get when they are on the receiving end of my domination.

Is there anything you would like to try sexually/kinky that you have not done yet?
For the longest time I wanted to get double penetrated and I finally fulfilled that fantasy when I was living in Tulum.This is really the only fetish and kink that I am highly interested in and I would like to do it again.

Do you like rough sex?
When I am in a submissive mood, I enjoy rough sex where I am fucked really hard for an hour or so. I like being choked and spit on and spanked really hard.

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
I pissed on probably over a hundred different men. I have been peed on one time in the shower. I was surprised that it didn't really bother me.

How do you feel about anal sex?
I don't really care for anal sex, getting it that is.

What are your hard limits?
I have no interest in ever being double penetrated in my vagina or ass. I have no interest in being part of a bukkake or in any gang bangs involving more than three men.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
I'm frequently requested to do ball busting and piss play. Outrageous requests would involve potential clients asking me to do full toilet, which is a service that I will never fulfill.

Do you get requests for pantyhose? Stockings, shoes etc.
I often get requests for pantyhose, stockings, and pleaser heels for cock and ball torture.

Do you like foot and leg fetishism, attention to your feet?
I enjoy having my feet worshiped, my toes being sucked on, and giving foot jobs can be fun.

What kind of porn do you prefer? What do you search for on the internet?
I enjoy watching BBG porn where the girl is being double penetrated. I also like porn videos featuring a male talent with a very large dick and a very petite female.

Why do you want to shoot for TABOO Magazine?
I live my life as an anarchist. I love to break the rules. Being featured in TABOO solidifies my commitment to living a non- conventional lifestyle.

ALLY STYLE

PHOTOGRAPHER
LEE FORBES

All prettied up in sheer black panties, with painfully cute belled clips on her tits, Ally knows it's all part of the process of making her ready for the auction block. The nameless tormentor works her each day, always with toys first, squeezing her throat until she wheezes, making her cry out with sharp tugs on the clamps. He's an expert with the sharp, stinging whip, concentrating on her most sensitive spots, leaving her inner thighs neatly painted with crimson stripes while she writhes against the implacable bonds. Bladder bulging from fear, Ally's easily made to beg for a piss, embarrassingly splattered on the floor while she's still restrained. Not even her bodily functions are hers to control anymore.

That's the point of today's lesson. Ally must learn to come on command, whether from the invasive probe worked into her sphincters (why must he always do her ass first?) before wheeling in the big, sinister machine. It fucks her relentlessly, its speed and depth set with the dials at her trainer's whim. He knows her so well by now, wringing one climax after another from each hole, even while applying the whip so she can learn to climax in pain like a proper slave. Ally loses count of how many times her body betrays her. Exhausted, soaked in her own secretions, she waits for him to take his gratuity any way he pleases, realizing that she too is now just a fucking machine, well-oiled and ready for use.

When did you start fetish modeling and under what circumstances?
When I was 18, a professional photographer who also happened to be a kinkster discovered me at a fetish party and invited me to shoot with him. He told me to bring a friend, and we played in the studio while the photographer captured the most beautiful pictures I had ever seen of myself at the time. Seeing myself and my sexuality through his lens awakened something in me, and we shot together several more times over the next few years, exploring and documenting lust in its many forms.

How did you feel the first time you took your clothes off for the camera?
Invigorated. Beautiful. Validated. A little nervous, but excited enough to push through it. I felt like I was finally being seen and celebrated for loving sex and being kinky rather than being shamed for it.

How did you become aware of fetishism or your fetishistic side?
My earliest memory is of drinking my own piss, but I dismissed that as just a weird thing kids do, like it was my own version of eating dirt. My first experience with fetishism that I actually acknowledged as such happened after I met a cute guy at a Halloween party, and he asked me if I was into bondage. I had no idea what bondage was, but I was down to try it once he explained it. I went over to his house, and he tried to give me a massage to get me to relax before pulling out his rope. The massage didn't loosen me up, but as soon as the rope went on my body, all the tension melted out of my muscles. It just felt right.

What fetishes do you like personally?
How many am I allowed to list? It's hard to narrow it down! First and foremost, I love piss. I enjoy it in pretty much every way you can think of, and I am constantly coming up with new ways to play with pee. I'm really into sexual objectification, being used as a sex toy and using other people as sex toys. I'm also a sadistic dom with a particular love of revulsion, fear, and suffering. I like to tell people who want to play with me, "If it makes you recoil in disgust, do it to make me smile. If it terrifies you, do it to make me wet. If you hate it, do it to make me cum."

Do you wear fetish clothes in public? What are your favorite items?
I do! I get a kick out of wearing latex in public. It's super eye-catching when it's all lubed up, and I love watching and hearing people react to it. It's a good way to pick out the kinksters in a crowd. I'm also a big fan of wearing leather accessories. I've got some luxuriously soft leather gloves that add an edge to any outfit.

Have you ever scened in public?
Yup! I've been suspended in rope in several public parks, and I even did a naked bondage photoshoot in front of the Brooklyn Museum once!

Are you dominant, submissive or a switch?
I am a dominant-leaning switch. I'd say I'm about 70% dominant, 30% submissive. I like dominating all sorts of people, but I prefer submitting to femdoms. A beautiful femme in makeup and heels forcing me to service her cock? Yes please!

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
Absolutely. As I try new things sexually (and as I try old things with new people,) I move my boundaries. Feet are a great example. They used to be a hard limit for me, but I discovered in the past couple of years that I like having my toes sucked during sex.

Is there anything you would like to try sexually/kinky that you have not done yet?
So many things! At the top of my list currently is doing double vaginal penetration with two flesh and blood cocks.

Do you like rough sex?
Hell yes! I love rough sex! I love fucking someone so hard that they beg me for a break. I love digging my nails and teeth into someone while seductively reminding them that pain is no excuse to stop fucking me as hard and as fast as I like. Pain and pleasure are excellent bedfellows.

What about pissing or golden showers?
Yes, absolutely. I've been pissed on and in, and I've pissed on and in other people. Piss is my favorite fluid, and I particularly love the sound of piss filling an open mouth.

How do you feel about anal sex?
I like anal as as an occasional treat. I like it more with experienced anal sluts who don't need a lot of warm-up and can take my large toys.

What are your hard limits?
Pet play, being tickled, anything involving bugs.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
Bondage and giantess are probably the two kinks that my fans request the most from me. I don't really think of anyone's requests as outrageous, but some are definitely unique. My favorite unique request: I was asked to play a novice nun who gets dominated by the Mother Superior and her second-in-command. The two senior nuns forced me to drink their piss and my own, spit roasted me, and

DP-ed me before creampie-ing my holes with ejaculating dildos. We used an entire 8oz bottle of cumlube for those creampies!

Do you get requests for pantyhose, stockings, shoes etc.

Occasionally I get requests for pantyhose. More frequently, fans request thigh-high stockings and stilettos without platforms.

Do you like foot and leg fetishism, attention to your feet?

As I said earlier, I have come around to foot fetishism. I have pretty feet, and I like when people pay attention to them. I especially like when people lick my feet and legs while I'm wearing stockings because it takes out the tickle factor. It also feels great when someone gently nibbles on the heels of my feet. And nothing beats a sensual foot massage after a long day of wearing heels!

What kind of porn do you prefer? What do you search for on the internet?

I watch a lot of porn: deepthroat BJ videos and piss drinking videos are often my go-tos. I get off on the audio more than the visual elements of porn, so I pick videos that have more auditory than just moaning. I want to hear gagging, slurping and the person gasping for breath...I'm getting hot just thinking about it!

Are you in a fetish lifestyle partnership? Would you like to be?

Yes, I am, and the majority of my most significant relationships have been fetish lifestyle partnerships. It is my preferred way to date.

Why did you want to shoot for TABOO Magazine?

I've gotten really into printed smut lately. I absolutely love to be able to hold a hard copy of my fetish work in my hand, especially to shoot for TABOO, an iconic magazine that loves piss as much as I do? That is a dream come true!
